

# E-Commerce Shop Builder Deployment Guide

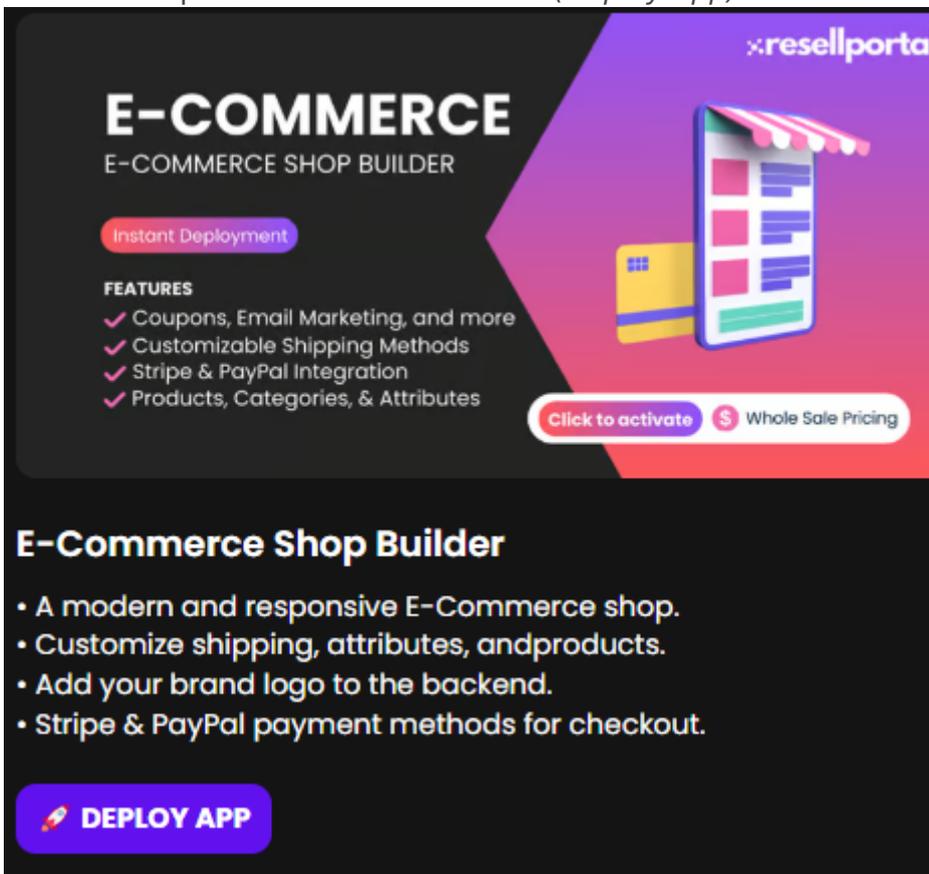

This step-by-step guide will help you activate and deploy the E-Commerce Shop Builder for your clients using ResellPortal.com.

## 1. Access the Resell Portal

1. Navigate to the Resell Portal: <https://app.resellportal.com>
2. Log in using your reseller credentials.

## 2. Locate the E-Commerce Shop Builder Package

1. After logging in, you'll be directed to the dashboard.
2. In the dashboard, go to the **Products (Activate Manual or Storefront Auto)** section.
3. Search for **E-Commerce Shop Builder**.
4. Click on the product to view its details (*Deploy App*).

The screenshot displays the product details for the 'E-COMMERCE SHOP BUILDER' package on the Resell Portal. The interface features a dark background with a purple and pink gradient on the right side. At the top right, the 'resellportal' logo is visible. The main heading is 'E-COMMERCE SHOP BUILDER' in large white letters. Below this, there is a 'Instant Deployment' badge. A 'FEATURES' section lists several benefits with checkmarks: 'Coupons, Email Marketing, and more', 'Customizable Shipping Methods', 'Stripe & PayPal Integration', and 'Products, Categories, & Attributes'. To the right of the text is an illustration of a smartphone displaying a storefront with a pink awning and a credit card. At the bottom right of the product card, there is a 'Click to activate' button and a 'Whole Sale Pricing' badge. Below the product card, the title 'E-Commerce Shop Builder' is followed by a list of features: 'A modern and responsive E-Commerce shop.', 'Customize shipping, attributes, and products.', 'Add your brand logo to the backend.', and 'Stripe & PayPal payment methods for checkout.' At the bottom left, there is a prominent purple button with a rocket icon and the text 'DEPLOY APP'.

## Step 3. Activate the App Package

1. Within the product details page, click on the **Activate** or **Deploy** button.
2. A prompt will appear asking for client-specific information:
  - **Client Name:** Enter the name of your client.
  - **Domain Name:** Specify the domain where the shop will be hosted.
  - **Plan Selection:** Choose the appropriate plan based on your client's needs.
3. Confirm the details and proceed with the activation.

### About E-Commerce Shop Builder

- A modern and responsive E-Commerce shop.
- Customize shipping, attributes, and products.
- Add your brand logo to the backend.
- Stripe & PayPal payment methods for checkout.

**Activate Service**

## 4. Configure the E-Commerce Store

1. Once activated, you'll receive access credentials for the client's store.
2. Log in to the store's admin panel using the provided credentials.
3. Set up the store by:

- Adding products and categories.
- Configuring payment gateways (e.g., PayPal, Stripe).
- Setting up shipping methods and tax rules.
- Customizing the store's theme and layout.

## 5.Launch and Promote the Store

1. After configuration, preview the store to ensure everything is set up correctly.
2. Once satisfied, make the store live.
3. Utilize marketing tools within the platform to promote the store:
  - SEO optimization.
  - Email marketing campaigns.
  - Social media integrations.

## Support and Resources

- For any technical assistance, contact the support team via the Resell Portal's support section.
- Access tutorials and FAQs within the portal to guide you through advanced configurations.

By following these steps, you can efficiently deploy and manage the E-Commerce Shop Builder for your clients. If you need further assistance or have specific questions, feel free to contact us at [contact@resellportal.com](mailto:contact@resellportal.com) !
